Unit Name/Designators Situation Unit Situation Unit Melinda Luetke, Planning Section Chief O700, 07	UN	UNIT LOG		me	2. Date Prepared	3. Time Prepared	
Situation Unit Melinda Luetke, Planning Section Chief O700, 0700, Personnel Roster Assigned Name ICS Position Larry Rader Situation Unit Leader Activity Log Time Major Events Operational status: Observed crew collecting river velocity measurements near MP 5.4 above Ceresco Dam. Observed crew maintaining containment boom above Ceresco Dam. Observed sheen within containment along southern wall of Ceresco Dam. Observed vegetation and sheen within containment above Ceresco Dam. Ceresco containment boom: No sheen observed going over dam beyond containment. Sheen observed within vegetation in containment above Ceresco Dam. Observed crews installing containment boom in southern end of Morrow Lake Delta. Observed newly installed containment boom along southern shore of Morrow Lake Delta. Globules and sheen observed from front of sweeper boat on Morrow Lake, south of the fan area.	4. Unit Name/Designators		Kalamazoo River/Enbridge Oil Spill 07/09/2012		1700
